## PROJECTS

---

### Portfolio Website - [jpmacleod.netlify.app](https://jpmacleod.netlify.app) | *JavaScript, React, HTML/CSS(Tailwind)* July 2022

- Combined JavaScript, React, and Tailwind CSS to create a responsive website, allowing adaptation relative to window size or mobile device it is being viewed
- Implemented a responsive navigation bar with similar functionality to collapse it entirely for increased usability on smaller windows or mobile devices

### MealCheck – WaffleHacks | *Python, PyQt, Selenium, SQLite* June 2022

- Pair programmed web scraping to identify specific restaurant locations based upon user location by utilizing Selenium library
- Designed and collaboratively coded a location-based GUI using PyQt and Python
- Developed backend framework in Python, keeping in mind potential need for future scalability

### Truck Safety Portal - Daimler Hackathon | *Python, Flask, HTML/CSS, SQLite* Aug. 2022 – Present

- Developed a project proposal to assist Daimler Truck Company in developing a client-facing web application, ensuring safe driving practices in Daimler manufactured vehicles
- Included an aesthetic interface with built light/dark mode functionality, further increasing readability for users

## EXPERIENCE

---

### Administrative Assistant/Medical Scribe

*New U Therapy Center*

June 2018 – June 2019

*Valencia, CA*

- Observed psychiatric sessions in real time while documenting past, present, and future needs of patients based on personal intake and medical history.
- Maintained upkeep of patient documents, office equipment, and performed a variety of clerical duties for a database of 100+ patients

### Member Services Team

*Regal Cinemas Sherman Oaks*

June 2021 – January 2022

*Sherman Oaks, CA*

- Maintained a steady flow of incoming customers, verified credentials, and then directed appropriately to one of 20+ auditoriums
- Operated a Concessions Stand where cash transactions were handled to distribute food and drinks to customers
- Communicated the benefits of enrolling in the company's club program to the customers while accommodating other activities
